

12/14/15

Story Time at Basloe Library

Our story times have been busy and fun!

In November, we read stories about hibernation and made a bear cave to replicate the bear from the book BEAR SNORES ON.

For Thanksgiving, we read many stories about the holiday, including CLIFFORD'S THANKSGIVING and MAX AND RUBY'S THANKSGIVING WITH GRANDMA. Using a paper plate and cut out features, the children put together a Pilgrim boy or girl.

With December, we start getting ready for Christmas. There are so many good books to share for the little ones. I read Clement C. Moore's THE NIGHT BEFORE CHRISTMAS illustrated by Mary Engelbreit. We enjoyed the pictures as much as the story. Everyone left with a Santa Claus they had put together.

Our sessions have been full with our Wednesdays with 12 to 18 children or more and usually 6 to 8 on Thursdays. All children are accompanied by a parent, grandparent or baby sitter. The children are well behaved and the adults are very helpful with providing snacks, setting up and cleaning at the end of the story time.
