

Children's Room Report

December 6, 2019

November story time themes included feeling Grumpy featuring the story Mother Bruce, Cookies with the story Mr. Cookie Baker, and Giving Thanks (Thanksgiving stories). December will feature polar bears, feeling Joy and December holidays. Beginning in January we will have a pre-school Page Turners session on Tuesdays at 10am. We will be focusing on kindergarten readiness skills using puzzles, the magnetic letter and number board, finger writing in sand, as well as stories. Mackenzie will continue with the after school group on Wednesdays.

On December 4th the library hosted a program in conjunction with St. Francis de Sales. The program was sponsored by St. Francis Parent Advisory Council. Bright Star Touring Theatre members Olivia and Tim performed Stone Soup and other Heartwarming Tales. Approximately 50 students and their teachers/chaperones enjoyed the 45 minute show that focused on what it means to give a gift with an open heart.

Mackenzie and I have started planning for the 2020 summer reading program "Imagine Your Story." Our focus will be on fairytales and folklore.

Wishing everyone a Merry Christmas and Happy New Year.

Nancy
